PREFACE

It is the purpose of this directory to be of service both to the individual members and to the church as a whole. It is hoped that the addresses given will facilitate communication between the members and also serve as a handbook for the various organizations of the church. The directory does not assume to be an absolutely complete list of all who have ever been members of the church, even though they may never have withdrawn, as it is impossible for a church to retain on its working list the names of people who have gone out of its knowledge and who for years have manifested no interest in the church.

In regard to those whose names should appear it is impossible to avoid making some mistakes. A great deal of labor and much care has been given that it may be as nearly accurate as possible. Should any errors occur, it is urged that the matter be excused in a Christian spirit and referred to the Pastor for correction in the next directory.

This directory is brought about by the cooperation of the advertisers, church and publishers. You are earnestly requested to give attention to the advertisements.

Wilson, Lettie.

NOTE—It is possible some of these are active and regular in their attendance at church, the pastor, having but recently come to this parish, is not sufficiently acquainted with the membership to have them all definitely in mind, and the records in hand have not been checked up for some time. So it is hoped that no one will take offense if his name appears in this list, even though he is faithful in his church relations, but that he will report the error for correction in the next directory.

Flowers for Every Purpose

Enliven the social function with Flowers—put good cheer into the sick room with their fragrance. Add that extra joy and cheeriness to home and office by having Cut Flowers and Plants placed in the window. Let us also suggest plans for interior decorations for weddings.
